HOW TO USE THIS FORM:

1. For each engagement, corresponding to the same number on the Experience Record (Form #463), enter the number of years and months that you worked at each engagement.
2. Fill in the boxes corresponding to the years and months worked at each engagement.
3. Use as many sheets as necessary to fully describe your experience.
4. Total your time. (Remember to carry years at 12 months, not 10.) If more than one sheet is required, place the intermediate sum at the top of the columns. The last sheet should have the total time of all the applicants experience.
